Continuum North

Inter-professional support services at your fingertips, as you need them, when you need them.

VIRTUAL SUPPORT FOR EDUCATORS

WHAT DOES IT LOOK LIKE?

The team provides flexible coaching and consultations on a confidential basis.

Themes may involve:

- Teacher Wellbeing
- Implementing report recommendations
- School Safety
- Health Teaching
- Classroom Strategies
- Developing group sessions (fine motor, gross motor, literacy, numeracy)
- Behavioural supports
- Developing Student Support Plans or IEPs
- and more....

WHO IS ON THE TEAM:

Educational Psychologist
Occupational Therapist
Registered Nurse
Speech & Language Pathologist

SERVICE STRUCTURE

- Contracts options include:
- a) Retainer for a set number of hours
 - b) As needed billing per hour

Includes access to all professionals.

Services are virtual and may use Zoom, phone, or the platform of your choice.

Continuum North

Individualized student assessments and consultations for schools, communities, families and caregivers.

SCHOOL BASED CLINICAL SERVICES

WHAT DOES IT LOOK LIKE?

Services are tailored to the unique needs of the school and community, and may include:

- assessment
- system navigation
- consultation
- coaching & modeling
- workshops

Combined reports are compiled by the primary contributing professional(s), with input from the inter-professional team.

One set of harmonized recommendations are made. Educators can access ongoing support in implementing report recommendations.

WHO IS ON THE TEAM:

Together we will determine which Continuum North team members will lead services.

Continuum North team members **always** collaborate with others on the team, so that **all** services involve multiple perspectives.
